P.W.D Lorries Lost to ARP. 110/W.

Continuation Sheet.. File No. / Current No. of Page. 1

all the lorries have been ordered to be returned to the P.W.D. as they are urgently required by them. The ARP Engr does not give any reason for asking to back the lorry to ARP as it is not clear as to why the ARP officer accepted it and garaged it in the ARP Hd Qrs. When once the lorry has been returned to the P.W.D. as ordered by govt, the repairs have to be allowed to by that Dept. Even the lorries used as fire fighters have since been ordered to be returned to the P.W.D. Asked for perusal and orders whether the ARP officer need be asked to allow the repairs and then return it to the P.W.D or he may be instructed to hand back the lorry to the Dept for necessary repairs being made

DS 12/7 SG

The idea was that the expenditure on A.R.P. may be reduced while the lorries could be sent back to the Departments. There is no point in keeping them unserviceable long & a definite effort should be made to look after it. The A.R.P. officer may be asked to say definitely whether there is any use for the vehicle & whether in its present condition it is worth while keeping it by incurring expenditure on establishment etc

U.O. ARP: 954/42-43/61. 16-7-1943

~~Extended~~. Returned with compliments.

Though the vehicle in question is old and deemed not suitable for the heavy and strenuous work of the P.W.D, yet it will be serviceable to the ARP work. In the absence of the Revenue, the Revenue of the mobile Revenue Service during practice has been stopped for the present. With this lorry at least, we can give practice training to the Revenue men. No extra expenditure is being incurred by returning this lorry to the ARP, as the drivers engaged for driving the vehicles can drive this vehicle also. Further, the Food Dept. occasionally requisition lorries for the transport of grain into the city and this vehicle will come in handy; the Food dept. ~~have to be supplied~~ supply the petrol for their journeys. Under these circumstances, I suggest that the vehicle, with lorry Nys/A 413, may be ordered to be returned to the ARP organisation.
